**Flat sides**

Flat sides are an easy to use option. Simply snap on with magnetic bars to get a stylish finish on your display.

**Connection kit for 90° with profile**

Connect any two Pop Up Magnetic to create a sharp 90° angle with a discreet profile.

**Connection kit for panel**

Click to connect any two Pop Up Magnetic structures. Straight and 90° connections are available.

**Screen Holder**

Show your product videos on screens weighing up to 8 kg.

Downlight LED-bar

**Show Case kit**

Display your products in a showcase, placed in the best viewing height with professional light. Connecting showcases can easily be added.

**Different heights**

Use different magnetic bars and structures to reach 2,5 and 3 m height (98" and 118").

**Shelf kit**

Add a shelf to display your products. No tools needed.

**Stabilising feet**

Increases the stability depending on configuration.

**Curtain profile**

Attach a curtain profile easily with velcro to create a separate storage room.

**Spotlights**

Best in class LED lights. 15W, 1200 lumen.

**Panel Case**

Available as an optional accessory. The panels are well protected in a padded nylon bag with carrying handle. Diameter 360 mm.

**Transport cases**

Transport cases that can be converted into stylish counters. You can also store your custom exhibit and have everything ready for the next event.
